Course Description

Xtreme Reading is a structured curriculum that includes instruction in eight foundational reading and motivation strategies across the school year. Students will receive intense instruction in each strategy. The ultimate goal is for students to develop a love of reading and the skills necessary to be successful in all their classes.

Materials

Students will be given an Xtreme Reading notebook. These materials will stay in class, and students are expected to maintain them.

Daily- Students will need pencils, notebook paper, a fully charged IPAD and earbuds.

Classroom Expectations

Students are expected to be respectful of others, participate in class activities and complete independent work. It is the student's responsibility to make-up work when they are absent. Because of the small group nature of the class, most behaviors can be addressed in class with a reminder or redirection. Serious behaviors will result in: private conferences with student, phone call to parents and office referral.

Grading

70% Daily class participation

30% Learning Checks

Conference Time

1st period
